

Corpuses

The structure is the same as that of the Notice; the difference between the two contributions is the length of the given texts which are longer here; the paragraph 2.5. *Corpus* is then more developed.

1. Title of the corpus

2. Content of the notice

2.1. *Bibliographic informations*

2.2. *Elements of biography*

2.3. *Contributors*

2.4. *Presentation of the extract*

2.5. *Corpus*

A complete and new text coming with or without audio or audiovisual recording.

An oral text is transcribed, translated and presented according to the indications given in 2.5. *Extract of Notice*.

2.6. *Illustration*

3. Key words

4. Bibliography
